JOHN HELLINS PRIMARY SCHOOL

Being the best we can be

Project Planning – Rainforests

Einstein Spring 1

W.C. 6/1/25

Superb starter – orienteering day, maps and atlases, compass points.

Geography

To know the eight compass points

To know when the compass points can be used

Science

To know humans need light in order to see things and that darkness is an absence of light

Art

To know that layering fabrics, paper and photos creates a collage

W.C 13/1/25

Geography

To understand four figure grid referencing to locate a symbol on a map

Computing

To know how to manipulate an image

Science

To know humans need light in order to see things and that the dark is an absence of light

Art

To know that layering fabrics, paper and photos creates a collage

W.C 20/1/25

Geography

To understand four figure grid referencing to locate a symbol on a map

Computing

To know how to manipulate an image

Science

To know light is reflected from surfaces or objects and that light is more reflective from surfaces that are smooth, shiny and flat

Art

To know you can use different sketching pencils for sketching

W.C 27/1/25

Geography

To know that Alaska's environmental region is diverse

Computing

To know how to analyse and evaluate an output

To know how to problem solve

Science

To know light from the sun can be dangerous and that there are ways to protect your eyes

Art

To know you can use different sketching pencils for sketching techniques

W.C 3/2/25

Trip to The Living Rainforest

RE

To understand the origins of the Sikh religion

To understand the story of the 10 Gurus

To know the story of the Sikh holy book

Computing

To know how to analyse and evaluate an output

To know how to problem solve

Science

To know shadows are formed when the light from a light source is blocked by an opaque object and the shadow changes when an object is closer to the light source

Art

To know artwork can be created using technology

W.C 10/2/25

Geography

To know that Alaska's environmental region is diverse

Computing

To know how to use technology safely, respectfully and responsibly

Science

To know shadows are formed when the light from a light source is blocked by an opaque object and the shadow changes when an object is closer to the light source

Art

To know what an art movement is
