

KS2 Spelling Guidance Autumn 2019

In Key Stage Two we teach spellings to the children in class groups, concentrating on several spelling patterns across the term. As well as these sessions the children may receive additional booster sessions or intervention groups, if appropriate. We are now into our fourth year of teaching spellings in this manner, and have seen huge improvements in the children's retention of words and their patterns. This was demonstrated with the children making excellent progress last academic year.

There will continue to be no set weekly spelling lists. However, if you would like to re-enforce spellings at home, especially if your child finds spelling challenging, then please focus on this term's patterns, or the high frequency words and spelling lists which are available on the school's website. If you would like any further advice, or have any questions about how we teach spellings, please do not hesitate to contact your child's teacher.

This term's spellings are:-

- Words ending in **-able** or **-ible**;
adorable, considerable, noticeable, incredible, sensible.
- Adding suffixes to words ending in **-fer**;
referred, transferring, preference, referee.

Ways to support your child at home:-

- Always have a dictionary close and encourage your child to use it to find the correct spelling of words for themselves.
- Play games where you spell a word taking turns in saying alternate letters.
- When practising spellings use felt-pens, paint, sand or condensation!
