#### GEOGRAPHY

We will use simple compass directions and locational and directional language to describe the location of features and routes on a map. We will compare and use geographical similarities and differences. We will compare the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country.

Hinduism – We will think about how God is worshipped in a Hindu home, how Hindus pray and the use of prayer mats. We will understand why stories were important to the Hindu religion. We will inspect and analyse artefacts from the Hinduism and we will create a Rangoli pattern and understand its meaning.
