

Home Learning

Autumn Term

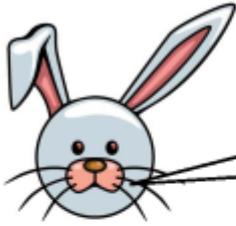

While you are at home please complete the following learning.

Resources are attached at the bottom of this document.

Subject	Key Learning Objective	Learning Activities and Tasks
Maths	To be able to count in 2's To show knowledge of place value with 2- and 3-digit numbers	<ol style="list-style-type: none">1.) Watch the video below to practise counting forwards to 20: https://www.youtube.com/watch?v=GvTcpfSnOMQ Watch the video numerous times so you can remember all of the numbers, in order.2.) Make some number cards for the 2 times tables to practise. Pick a card and try and say what comes next.3.) When you're outside, get some objects from nature and organise them into groups of 2 and count them up and down.4.) Complete the activity attached at the bottom of this document. You could print this, copy the drawings or count from the computer screen. To challenge yourself, create a sheet for counting in 5's or 10's! <ol style="list-style-type: none">1) If you have some dice at home, roll it twice (to make a 2 digit number, or 3 times for a 3 digit number)2) Place the digits on a place value template (attached) and then practise adding 10 to them. You will find you need to change the tens column most of the time!
English	To be able to sequence a story	<ol style="list-style-type: none">1.) Watch and listen to the story 'Silly Suzie Goose' using the link below: https://www.youtube.com/watch?v=QREqyg_ZRwY2.) Look at the front cover below: 

	<p>To be able to write a sentence using finger spaces, capital letters and full stops independently.</p>	<ul style="list-style-type: none"> - What do you think is happening in the picture? Why is that happening? - What noises do you think you'd be able to hear? Use your 5 senses to describe the scene. <p>3.) This story is about being different, or not. I want you to listen to the story and think about why you think it's great being YOU. We all have strengths; what are you good at?</p> <p>4.) Draw a picture of all the things you love to do and write a few sentences about each one (see an example picture attached.) You could challenge yourself by using the word 'because' to explain why. For example:</p> <ul style="list-style-type: none"> - I like to play golf because I often do it with my friends!
PSHE	<p>To create a class charter of your own.</p> <p>To show and understand why rules are important</p>	<p>Class rules are important because they keep you safe and mean you can enjoy school. Can you create a poster to show the most important rules you think we should have at school, and at home.</p> <p>1.) Draw a poster for your class charter and write why those rules are so important to you.</p>
Art	<p>To be able to complete an observational drawing.</p>	<p>Use this link to complete some lessons on drawing! You will need some resources; like a pencil and some paper. Have fun!</p> <p>https://classroom.thenational.academy/units/drawing-c92d</p> <p>If you would like a challenge, try to create some drawings with just one line. Picasso was famous for this! Some of his one line drawings are below.</p> <div style="display: flex; justify-content: space-around; align-items: center;">    </div>
History/ Geography	<p>To identify the seven continents of the world</p>	<p>In this unit of lessons, you will learn about the seven continents of the world. Our topic is all about explorers. They went to all areas of the world trying to find new things!</p> <p>Click on the link below to watch the videos and complete the activities set:</p> <p>https://classroom.thenational.academy/units/seven-continents-cf8c</p>

PE	PE with Joe Wickes!	<p>Try some of Joe Wickes' home PE lessons! Here are some YouTube videos for you to try and join in with!</p> <p>https://www.youtube.com/watch?v=tSi2ix1i180</p> <p>https://www.youtube.com/watch?v=Y2AkYD10d7Q</p>
Science	To learn more about Space!	<p>Our topic is 'Explorers!' Many explorers decided to go away from Earth and explore space and the moon! Space is my favourite Science topic!</p> <p>This unit will teach you about many aspects of Space: https://classroom.thenational.academy/units/space-c457</p> <p>Go through each lesson and follow the instructions. Enjoy!</p>
Spellings /Phonics	<p>To read aloud with intonation, fluency and expression.</p> <p>To know all phonics sounds</p>	<p>Please read your reading books daily and read any other books you'd like for pleasure. Write down your thoughts on the book and give it a rating! Send me any recommendations you have 😊.</p> <p>Use the link below to practise your phonics. Each session follows the exact format taught in the classroom. Complete at least one per day.</p> <p>https://www.youtube.com/playlist?list=PLuGr6z2H2KNHY2HITC9jV0a65ED0aD2Ry</p>

Hop along in twos and fill in the missing numbers.

4 6 10 14

0 6 8

10 12 16

8 12 18

Hundreds 100	Tens 10	Ones 1
