

KS2 Spelling Guidance **Spring 2023**

In Key Stage Two we teach spellings to the children in class groups, concentrating on several spelling patterns across the term. As well as these sessions the children may receive additional 1:1 sessions or intervention groups, if appropriate. We are now into our sixth year of teaching spellings in this manner, and have seen huge improvements in the children's retention of words and spelling patterns. We regularly review and adjust our teaching methods depending on the class and children's needs.

There will continue to be no set weekly spelling lists. However, we would like you to re-enforce spellings at home, especially if your child finds spelling challenging. Please focus on this term's patterns, or the high frequency words and spelling lists which are available on the school's website. If you would like any further advice, or have any questions about how we teach spellings, please do not hesitate to contact your child's teacher.

This term's spellings are:-

- **Compound words, for example, football, handbag, firework, beachball, armchair**
- **Past tense, adding ed, for example, jump – jumped, hunt – hunted, stop – stopped, hop – hopped**
- **Words with sh spelt ch, for example, machine, chef, chute**

Useful links include:-

- Websites: www.topmarks.co.uk, www.education.com and www.spellingcity.com are all very useful
- <https://www.bbc.co.uk/bitesize/topics/zt62mnb> is the BBC site and covers the whole of KS2 spellings
- The Squeebles APP is also recommended, and we have seen children make fantastic progress using this programme.

Ways to support your child at home:-

- Always have a dictionary close and encourage your child to use it to find the correct spelling of words for themselves.
- Play games where you spell a word taking turns in saying alternate letters, in the car or at home
- When practising spellings use felt-pens, paint, sand or even condensation!
