				Being the best we can be			
Year Group	Term (Autumn/Spring/Su mmer)	Theme	Subject	Learning Objective	Key Skills	Key Vocab	
Year 2	Summer	Who Wants to be Famous?	History	To know the people that are linked to major events in our past, such as Samuel Pepys (Great Fire of London) and Neil Armstrong (Moon Landings) both from Yr 1. To understand the lives of significant individuals in the past who have contributed to national and international achievements - example is Mary Seacole and Florence Nightingale who both did a similar job but did not received the same notariety, and why this was. To know we get information from people and books and but because it was so long ago it may not be completely accurate as we don't have firsthand accounts or sometimes not even photos.	To be able to sequence artefacts closer together in time, and check using technology. To be able to sequence photos from different periods of their life. To be able to describe memories of key events in their lives. To be able to recognise why events happened and what happened as a result, accounts or stories. To be able to identify differences between ways of life at different times. To be able to compare two versions of a past event. To be able to compare pictures or photos of people or events in the past. To be able to discuss reliability of photos. To be able to use a source and answer questions from the past on the basis of simple observations.	Memory, life, year, baby, adult, life span, anachronism, chronological order, era/period, The Tudors, The Stuarts, The Gunpowder Plot, plotters, Parliament, secret, King James, Guy Fawkes, Catholic, Protestant, traitor, treason, The Great Fire of London, Samuel Pepys diary, danger ,Christopher Wren St Paul's Cathedral, explorers, Colombus, Armstrong, travel, encounter, impact, significant, brave, pioneer, Atlantic Ocean, America, space rocket, moon landing, The Mexico Lifeboat Disaster, storm, rescue, danger, survive, memorial, investigate, research, evidence, historians, experts, letters newspapers, websites, detective, opinion, artefact	
Year 2	Summer	Who Wants to be Famous?	Geography	 To know Port: A town or city with access to water, where boats can load and unload. To know Shop: Where you can buy and sell different items. To know Harbour: A place by the coast where ships may moor to protect them from stormy weather. To know Office: A room or building where people work. To know School: A place where you learn. To know Symbol: A picture to show geographical features, such as a school, port, shop or roads. 	To be able to add simple symbols onto an imaginary map, including shop, school, harbour, office, and port	Symbol, map, shop, school, harbour, office, por weather, ship, moor, coast, load, unload.	
Year 2	Summer	Who Wants to be Famous?	RE	To understand what makes a Muslim special (Yr 1 taught they knew what was important to them). To understand the importance of Islamic stories such as The Prophet and the Ants (EYFS The Crying Camal). To understand why the world is special and what makes the Potterspury area special To understand what the special texts are for each religion and how they are read and cared for (Yr 1 Bible and EYFS Tora). Themes Places of Worship Kindness Stories	To be able to use religious keywords to describe similarities and differences between the main beliefs of the six major world religions To be able to use religious keywords and facts to describe the important events in the lives of religious founders To be able to use religious keywords describe what the important symbols of each religion are To be able to use religious keywords to describe a religious place of worship and a Sacred Scripture To be able to describe what religious people do to show that they are committed to God To be able to retell a religious story suggesting its meaning/moral To be able to explain why different communities do different things To be able to describe some reasons why people belong to a particular religion To be able to describe the different ways that religious people celebrate and practise their way of life and express their belief in God To be able to compare one aspect of your own experiences in life so far with those of others To be able to describe what your influences in life are and compare and contrast these with the influences that other people have in their lives To be able to identify similarities between religions To be able to identify similarities between religions To be able to ask questions about puzzling aspects of life To be able to ask questions about matters of right and wrong and suggest answers that show understanding of moral and religious person would give To be able to identify truths and beliefs To be able to identify truths and beliefs To be able to identify truths and beliefs To be able to express their own opinion and understand others may belief differently		

Year 2	Summer	Who Wants to be Famous?	Art	To know the process of printing and which materials to use (creating an impression to be able to make multiples of an artwork) To know cubism is an art movement. To know Pablo Picasso was an artist who was part of the cubism art movement. To know other artists who are part of the cubism movement. To know artwork can come in the form of photographs.	To be able to name the materials used for printing (polystyrene board, roller, printing ink) To be able to create an impression in a polystyrene block to be able to print a pattern/artwork multiples of times To be able to overlap colours to create contrast To be able to create artwork in Cubism style using geometric shapes To be able to recognise pieces of cubism artwork by the artist Pablo Picasso To be able to notice and comment on shapes and pattern in other works of art (Jean Metzinger, Juam Gris) To be able to create repeating patterns of symmetry and regular and irregular shapes (linking to maths) To be able to use ipads to take photographs of the environment To be able to appreciate digital artwork and comment David Bailey and Annie Leibovitz - both take photos of celebrity portraits) To be able to create own portrait digital art using ipads - think about lighting, backgrounds etc to create different effects	Pencil, wax. chalk, ink, pen, brushes, pigment, paint, pastels, dyes, sponges, straws, collage, weaving, threads, fibres, fabrics, surfaces, wood, clay 3D experience, rigid and malleable materials, fingers, hands, vegetables, card, wood, string, lino, clay, polystyrene, painted, printed, dyed, rubbed, imprinted, embossed, primary colour, secondary colour, charcoal, straight line, wavy line, thick line, thin line, colour spectrum, predict, single mounting, watercolour, end piece, impressed line, overlaying, random pattern, repeated pattern, overlays, sculptural form, shaping, smooth, tactile, visual, embellish, interpret
Year 2	Summer	Who Wants to be Famous?	Computing	To know how to predict the behaviour of simple programs. To know how to problem solve. To know how to form clear and precise algorithms and instructions. To know how to use a keyboard and type independently. To know how to use technology safely and respectfully.	To be able to predict whether a program/code will be successful or unsuccessful when using Scratch Jr. To be able to debug (problem solve) when working on coding on Scratch Jr. To become more confident when creating algorithms on Scratch Jr., ensuring they are clear and precise and meet the end goal. To be able to use a keyboard and a mouse confidently and independently. To be able to use technology safely and respectfully at all times	Program, programming, debug, problem solve, evaluate, algorithm, create, manipulate, retrieve, goal, safety, keyboard, type, communicate, search, browse, design, internet, website, online, privacy/private, password.
Year 2	Summer	Who Wants to be Famous?	DT and Cooking and Nutrition			Textiles, sew, needle, thread, join
Year 2	Summer	Who Wants to be Famous?	Music	To know how to make an uptempo beat that could be used for a catwalk. To know about different types of popular music and singers who have shaped this genre. To know how to play the ocarina (summer term).	To be able to use instruments to create an uptempo beat, deciding which works well and why. To be able to identify the features of popular music and why it is successful. To be able to appreciate some famous singers of pop music, such as Michael Jackson, Elton John, Lady GaGa, Tina Turner, Taylor Swift etc. To be able to learn the basic skills of the ocarina with a final performance.	Pulse, tempo, uptempo, beat, long, sustained, rhythm, structure: beginning/middle/end, rehearse, perform, sounds: singing, whispering, hitting, shaking, plucking and strumming, genre, musician.
Year 2	Summer	Who Wants to be Famous?	Science	To know the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses. To know how the shapes of solid objects (plastic bottle, pipe cleaner, sock, drinking straw, playdough, towel, sponge, and elastic band) made from some materials can be changed by squashing, bending, twisting and stretching.	To be able to compare the uses of everyday materials in and around the school with materials found in other places (at home, the journey to school) and recording their	Material, sold, squash, bend, twist, stretch
Year 2	Summer 1	Games	PE	To know how to work as a team to achieve a common goal within a game. To know how to move around a space with a specific reason or intent. To know how to differentiate between an attack and defender. To know what good performance could look like.	Games: Follow rules within a game to a good degree To show clear sending and receiving skills with different objects To be able to move with purpose and reason around a playing space To be able to play a part as an attacker and defender To watch and describe performance. Multisports: To be able to bounce a basketball and stop it when it is passed To be able to kick a football and stop it when it is passed To be able to throw a dodgeball with accuracy and with different power.	Offensive, Defensive, Teamwork, Performance.

Year 2	Summer 1	Multisports	PE	To know how to correctly hold a basketball.	Games:	Pass, Long distance pass, Short distance pass,
				To know how to use the inside of a foot to kick a ball and the bottom of a foot to stop a ball. To know where to aim on a body with a dodge ball to have the most success.	 Follow rules within a game to a good degree To show clear sending and receiving skills with different objects To be able to move with purpose and reason around a playing space To be able to play a part as an attacker and defender To watch and describe performance. Multisports: To be able to bounce a basketball and stop it when it is passed To be able to kick a football and stop it when it is passed To be able to throw a dodgeball with accuracy and with 	Control, Accurate, Power
Year 2	Summer 2	Athletics	PE	To know when to change pace in a run based on the distance. To know how to safely land different jumps. To know which jump is best for a specific distance. To know which throw to use based on the athletic equipment used. To know what happens when the height is changed when an object is thrown.	different power.Running:To be able to travel at different speeds.To be able to run at different paces, describing thedifferent paces.To be able to use a variety of different stride lengths.To be able to complete an obstacle course.To vary the speed and direction in which they are travelling.To be able to run with basic techniques following a curvedline.To be able to begin to select the most suitable pace andspeed for distance.Jumping:To perform and compare different types of jumps: forexample, two feet to two feet, two feet to one foot, onefoot to same foot or one foot to opposite foot.To jump for distance from a standing position with accuracyand control.To investigate the best jumps to cover different distances.ThrowingTo throw different types of equipment in different ways,for accuracy and distance.To throw with accuracy at targets of different heights.To investigate ways to alter their throwing technique toachieve greater distance.	Disciples, Varying, Javelin, Pace, Distance
Year 2	Summer 2	Racket and Ball Skills	PE	To know which racket to hit for which sport. To know which direction to aim a racket to change the direction of the shot. To know the ready position for tennis.	To know and be able to show the ready position To be able to hit a tennis ball successfully towards a target with a tennis racket To be able to hit a tennis ball successfully towards a target with a cricket bat To begin to be able to rally on the floor between two with some level of consistency To correctly hit a range of balls and bat/rackets at different ranges with accuracy To move towards a ball and attempt to strike the ball with a racket.	Cricket bat, Tennis racket, Ready position, Swing

Year 2	Summer	Who wants to be Famous?	Notes	In Edison Class we follow the National Curriculum for Numeracy and Literacy. Our creative curriculum allows us to link, through projects al
				Art, Music, Cooking and Nutrition and Computing.
				Our Spring Term project is called Who wants to be Famous? We will be looking at famous people from history such as Florence Nightingale
				Jr and Tim Berners-Lee.
				During English we will be looking at writing biographies of some of the people we study, as well as writing stories based on the children's bo
				talent for music and becomes a famous pianist.
				For History, we will look at significant events related to the famous people we look at, for example; Thomas Edison and the invention of the
				as the internet. We will also use these events to compare what life was like in various parts of history.
				In Music we will be looking at how to program a beat, listening to popular music and dissecting it - what is it that makes it so popular? We w
				During our Art lessons we will look at colour and begin to describe colour in more detail, for example 'raspberry pink'. We will also look at re
				Wassily Kandinsky, Piet Mondrian, Jackson Pollock, Gustav Kilmt, Van Gogh.
				RE - Islam - What makes a Muslim special? To understand the importance of Islamic stories. We will then look at our BIG questions; To und
				Potterspury area special. The understand what the special texts are for each religion and how they are read and cared for.
				1st - Islam 23rd May
				2nd - Big Questions 3rd July
				Our Computing lessons will focus on algorithms, problems solving with these and predicting the behaviour of simple programs. We will also b
				In DT we will be doing some junk modelling - linked to music to create our own instruments that can make a beat. We will also be making our
				Cooking this term will focus on healthy diets and understanding nutritional values.
				In our Science lessons we will be looking at materials. What makes up materials? Why are some materials more suited to tasks? We will als
				Our Superb Starter for the project will be an art day - recreating some of the famous artworks of the last centuries.
				Our Mix it up Middle will be our DT day; Junk modelling!
				Our Enthralling Ending will be a trip!

s all the other curriculum areas of: Science, History, Geography, DT, gale, Thomas Edison, Albert Einstein, Rosa Parks, Martin Luther King book - 'The Bear and the Piano' about a bear that discovers his the light bulb and Tim Berners-Lee and inventing what we now know 'e will also be learning a musical instrument ourselves; The Ocarina! t recreating some famous pieces of art from artists such as: understand why the world is special and what makes the

o be looking at filming. our own frames for our famous art pieces.

also look at how materials can be altered.
