

JOHN HELLINS PRIMARY SCHOOL

Being the best we can be

The sports premium funding was introduced by the DFE in March 2013 to improve the provision of physical education across all primary schools in England. The aim of the premium is to help primary schools to achieve the government's commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day, with a recommendation of 30 minutes of this delivered during the school day. Schools have the flexibility to use the funding in the way that works best for their pupils. Schools are required to publish details of how the funding is spent and the impact it has on pupil PE and sport participation and attainment.

At John Hellins Primary school the Sport Premium allocation for 2022-23 is **£17,750**

Our PE objectives at John Hellins are:

1. To provide children with the information and tools to lead healthy active lives to promote good mental and physical health.
2. To increase participation for a range of children in both intra and inter school competitions.
3. To continually develop and increase staff confidence and core subject knowledge of PE.
4. To increase participation at lunchtimes and develop provisions available.
5. To continue to monitor the implementation of the PE curriculum and the impact that it has on pupils.
6. To increase knowledge and confidence for PE Subject Leader who is new to the role.

The members of staff who oversee the management and spending of our sports funding at John Hellins are Jodie Matthews (Headteacher) and Tom Judd (PE Subject Leader)

John Hellins Primary - Meeting national curriculum requirements for swimming and water safety.

100% of our 2021_22 Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters.
100% of our 2021_22 Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
100% of our 2021_22 Year 6 cohort performed safe self-rescue in different water-based situations.
John Hellins will not use the Primary PE and Sport Premium to provide additional provision for swimming.

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school

Intent	Implementation	£ Spend	Impact	Sustainability and Suggested Next Steps
Plan and deliver high quality PE lesson to promote student engagement.	To continue to implement PEPRO as the school PE support platform. Sports coach to work with teacher to plan and deliver effective and engaging PE lessons.	PEPRO App - £1250 (paid) Sports coach – see indicator 3 PE service – ESTIMATED £145 (from quote)	Teachers feel more confident when teaching PE. When observed and discussed, teachers feel PEPRO is a useful tool when planning and delivering PE lessons. When questioned, 100% of children surveyed enjoy PE and believe PE lessons are active.	After the positive impact PEPRO has made over the last 2 years, we have decided to continue to use PEPRO for another year to continually improve the confidence and ability of teachers delivering PE across the school.
Lunchtime staff to lead and promote active and engaging lunchtimes.	Lunchtime staff will lead a variety of physical activities. 2 key members of staff will lead a variety of activities such as boccia, football and badminton.	N/A	Children were given a range of sports to participate in at lunchtime. Children were engaged with the sports and activities which contributed to their 30	Lunchtime staff will continue to provide a wide range of activities at lunchtime to contribute to 30 minutes of physical activity in school.

			minutes of physical activity a day.
