

## Happy New Year

We wish all of our families a very happy and healthy 2024.

## Learning

Please note that all teachers planning and curriculum newsletters for this term are now available on the website in the class pages.

**Celebration Assembly** — well done to these children who shared their fantastic work in Celebration Assembly this week.

## Twitter/ X

Remember you can find us on X @JohnHellins. We love to see your tweets and any photos you share. Following us on X is a great way of feeling involved with the school.

## Blogs

Don't forget to check out your child's class blog so you can see what they are learning about. Discussing learning at home helps children to embed their learning into their long term memory so please do help us when you can by chatting at home about the learning.

## Parent/ Teacher Meetings

This term parents are able to book a short 1:1 meeting with their child's class teacher to discuss their child's progress. As these appointments are short and focussed on progress if parents have other items to discuss we ask that you contact the school office to make a longer appointment in person or by telephone call at a different time. Appointments can be booked on the Parents Evening Booking System (linked in the Quick Links on our website). Bookings will open on Monday at 9am.

## Ukelele

Year 4 started their Ukelele lessons this week. They are very excited to be learning a new instrument.

# Whole School Newsletter

## Friday 12th January 2024
