

Project Planning – Rainforests

Einstein Spring 2

W.C. 24/2/25

Geography

To know that Alaska’s environmental region is diverse

Music

To know how to use instruments to replicate the sounds of the rainforest

To know how to effectively evaluate a performance

Science

To know and describe the functions of different parts of the flowering plants: roots, stem, trunk, leaves and flowers

Art

To know Post-Impressionism is an art movement that was predominantly a French movement developed roughly between 1886 and 1905

W.C. 3/3/25

Geography

To know different biogeographical regions in Europe

Music

To know how to use instruments to replicate the sounds of the rainforest

To know how to effectively evaluate a performance

Science

To know and describe the functions of different parts of the flowering plants: roots, stem, trunk, leaves and flowers

DT

To know when foods are grown, understanding seasonality, and know where and how a variety of ingredients are grown, reared, caught and processed

W.C. 10/3/25

Geography

To know different biogeographical regions in Europe

Music

To know how to use instruments to replicate the sounds of the rainforest

To know how to effectively evaluate a performance

Science

To know the requirements of plants for life and growth and how they vary from plant to plant

DT

To know ingredients are weighed in grams

W.C. 17/3/25

Geography

To know different biogeographical regions in Europe

Music

To know how to use instruments to replicate the sounds of the rainforest

To know how to effectively evaluate a performance

Science

To know water is transported within plants, originating from the roots, to the stem

DT

To know that ICT can be used to support product design

W.C. 24/3/25

RE

To understand who is a Buddhist and what they believe in

Music

To know about famous Brazilian musicians and Brazilian music

Science

To know the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal

DT

To know how to develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular individuals or groups

W.C. 31/3/25

Music

To know about famous Brazilian musicians and Brazilian music

DT

To know which tools to use for specific functions of a product

To know how to design and annotate drawings
