

JOHN HELLINS PRIMARY SCHOOL

Being the best we can be

The sports premium funding was introduced by the DFE in March 2013 to improve the provision of physical education across all primary schools in England. The aim of the premium is to help primary schools to achieve the government's commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day, with a recommendation of 30 minutes of this delivered during the school day. Schools have the flexibility to use the funding in the way that works best for their pupils. Schools are required to publish details of how the funding is spent and the impact it has on pupil PE and sport participation and attainment.

At John Hellins Primary school the Sport Premium allocation for 2024-25 is **£17790**

Our PE objectives at John Hellins are:

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
2. The engagement of all pupils in regular physical activity.
3. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport

The members of staff who oversee the management and spending of our sports funding at John Hellins are Jodie Matthews (Headteacher) and Lauren Bassett (PE Subject Leader)

John Hellins Primary - Meeting national curriculum requirements for swimming and water safety.

96% of our 2023_24 Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters.
96% of our 2023_24 Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke
96% of our 2023_24 Year 6 cohort performed safe self-rescue in different water-based situations.
John Hellins will not use the Primary PE and Sport Premium to provide additional provision for swimming.

Key indicator 1: Increased confidence, knowledge, and skills of all staff in teaching PE and sport.

Intent	Implementation	£ Spend	Impact	Sustainability and Suggested Next Steps
