

Maths

Objectives to be covered this term

- To know how to count from 1-10.
- To know how to continue a number sequence forwards and backwards..
- To know how to compare numbers.
- To count one more and one less.
- To know how to use the addition symbol to create number sentences for addition.
- To know how to solve missing number problems.
- To know the names of 2D and 3D shapes.
- To sort and group shapes based on their properties.

Ways to help at home

- Help your child to write numbers to 20 the correct way around.
- Practise recognising numbers to 20 knowing what each digit in the number is worth.
- Practice addition and subtraction up to 20. For example, $4 + 12 =$
- Notice numbers in the environment, encouraging your child to read them.
- Look at 2D and 3D shapes in the shops in real life.

Key Vocabulary

Our topic for the Autumn term is 'All About Me/We Are Family'. We will launch the topic by reading the text "Only One You" and we will discuss the importance of family and kindness. Topic will be taught with this topic in mind. This will include learning about the names of common animals, the basic parts of the human body and creating self portraits. We will be learning key words related to the learning, so you can help at home by supporting your child to read and recognise them.

United Kingdom	habitat	mammals	omnivore	rhythm
human	recycle	amphibian	hot	seasons
weather	ocean	carnivore	Spring	Summer
natural	diet	herbivore	Autumn	Winter

Autumn Update Newton Class

Phonics/Spellings

We will be reviewing all of the sounds from phase 3 before moving onto the sounds from phase 5. Phonics and spellings will be taught on a daily basis. Please read at home as much as possible and identify phonemes within the text. You can find a copy of the phase 3 and 5 sound mats on the school website:

<https://www.johnhellins.co.uk/attachments/download.asp?file=477&type=pdf>

Please help your child by reading the year 1 common exception words. You will find these on your child's sound mat in their book bag.

You will be sent a weekly email for the sound and spellings of the week. Please complete this at home with your child. If you need any further assistance with this, please don't hesitate to contact me.

Homework

Homework will be provided for all KS1 children on a half termly basis and this will be sent home on a **Monday**. Your child will have two weeks to complete the homework. This homework will be revision of work covered in class. In addition to this, please read with your child as often as you can and record this in their 'We Love To Read' book. Thank you.

PE

PE will be taught twice weekly. Please ensure your child's kit is at school every day. Your child will return the kit at the end of every half term for washing.

English

Objectives to be covered this term

Writing

- Use phonic knowledge to write words in ways which match their spoken sounds.
- Write some irregular common words.
- Write simple sentences which can be read by themselves and others.
- Spell some words correctly and others phonetically plausibly.

Reading

- Read and understand simple Sentences.
- Use phonic knowledge to sound out words and read them accurately.
- Read some common irregular words.
- Demonstrate understanding when talking with others about what they have read.

Speaking

- Express themselves effectively, showing awareness of listeners' needs.
- Use past, present and future forms accurately when talking about events that have happened or are to happen in the future.
- Develop own stories and explanations by connecting ideas or events.

Ways to help at home

- Read with your child for at least 10 minutes every day and after reading, ask them comprehension questions about what they have read.
- Practice letter formation.
- Retell stories.
- Encourage independent writing/ reading at home.
- Write sentences using correct punctuation, including full stops and capital letters.
