

## Project Planning – All about me

Newton Autumn 1

### W/C 1.9.25

#### Science

LO: To know the names of the basic parts of the human body and the senses related to each part of the body including: eyes (sight), ears (hear), mouth (taste), nose (smell), hands (touch) fingers, arms, legs, neck, back, stomach and toes.

### W/C 8.9.25

#### Computing

LO: To know how to turn on and use a piece of technology.

#### Computing

LO: To know how to use technology safely and respectfully.

#### Art

LO: To know that proportion is a principle of art.

### W/C 15.9.25

#### Geography

LO: To know the three green recycle symbols mean the packaging can be recycled.

#### Geography

LO: To know the black non-recyclable symbol on certain materials.

#### Geography

LO: To know why recycling is important.

### W/C 21.9.25

#### Computing

LO: To know what a code is.

#### Computing

LO: To know how to debug a code or program.

#### Music

LO: To know a song off by heart.

### W/C 29.9.25

#### Science

LO: To know the names of a variety of common animals including fish, amphibians, reptiles, birds and mammals.

#### Science

LO: To know and name a variety of common animals that are carnivores, herbivores and omnivores.

LO: To understand how to describe and compare the structures of a variety of common animals.

### W/C 6.10.25

#### RE

LO: To understand who Christians are and what they believe (EYFS God, extend to Jesus and disciples)

#### RE

LO: To understand the main Christian festivals (EYFS Christmas and Easter, extend to Harvest) (Festivals)

#### RE

LO: To understand what makes Christians feel special.

### W/C 13.10.25

#### Art

LO: To know the anatomy/proportions of the body.

#### Art

LO: To know how to draw people and objects with greater detail.

### W/C 20.10.25

#### DT

LO: To know that architects design buildings/structures.

#### DT

LO: To know that models/structures are designed before they are built.
