

Project Planning – Rainforests

Einstein Spring 1

**W.C. 5/1/25**

**Superb starter – orienteering day, maps and atlases, compass points.**

**Geography**

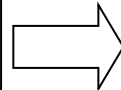

To know the eight compass points  
To know when the compass points can be used

**Science**

To know humans need light in order to see things and that darkness is an absence of light

**Art**

To know that layering fabrics, paper and photos creates a collage

**W.C 12/1/25**

**Geography**

To understand four figure grid referencing to locate a symbol on a map

**Computing**

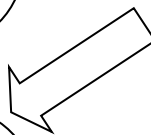

To know how to manipulate an image

**Science**

To know humans need light in order to see things and that the dark is an absence of light

**Art**

To know that layering fabrics, paper and photos creates a collage

**W.C 19/1/25**

**Geography**

To understand four figure grid referencing to locate a symbol on a map.

**Computing**

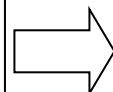

To know how to manipulate an image.

**Science**

To know light is reflected from surfaces or objects and that light is more reflective from surfaces that are smooth, shiny and flat.

**Art**

To know you can use different sketching pencils for sketching techniques.

**W.C 26/1/25**

**Geography**

To know that Alaska's environmental region is diverse.

**Computing**

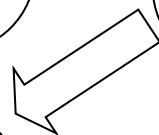

To know how to analyse and evaluate an output.  
To know how to problem solve.

**Science**

To know light from the sun can be dangerous and that there are ways to protect your eyes.

**Art**

To know you can use different sketching pencils for sketching techniques.

**W.C 2/2/25**

**Computing**

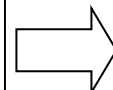

To know how to analyse and evaluate an output.  
To know how to problem solve.

**Science**

To know shadows are formed when the light from a light source is blocked by an opaque object and the shadow changes when an object is closer to the light source.

**Art**

To know artwork can be created using technology.

**W.C 9/2/25**

**RE**

To understand the origins of the Sikh religion.  
To understand the story of the 10 Gurus.  
To know the story of the Sikh Holy Book.

**Geography**

To know that Alaska's environmental region is diverse.

**Computing**

To know how to use technology safely, respectfully and responsibly.

**Art**

To know what an art movement is.
