

Project Planning – Who Wants to be Famous?

Edison – Summer 2

Mon – PE, learning review (Taught by TJ)
Tues - History - To understand the lives of significant individuals in the past who have contributed to national and international achievements (Winton Churchill)
Tues – PSHE - Jigsaw
Weds - Handwriting practise, PE
Thurs - Music – To know about different types of popular music and singers who have shaped this genre – Explore Lady Gaga. (Session 3)
Fri – DT – To know how to design a purposeful, functional and appealing product based on a design criteria. (Session 1)

Mon – PE, learning review (Taught by TJ)
Tues - Computing - To know how to use a keyboard and type independently. (Session 1)
Tues – PSHE – Jigsaw
Weds - Handwriting practise, PE
Thurs - Computing - To know how to use a keyboard and type independently. (Session 2)
Fri – DT – To know which materials and components to select according to the design criteria (textiles) – (Session 3)

Mon – PE, learning review (Taught by TJ)
Tues – RE – To understand why the world is special and what makes the Potterspurpy area special. To understand what the special texts are for each religion and how they are read and cared for.
Weds - Handwriting practise, PE
Thurs – Science - To know how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching. (Session 1)
Fri – DT – To know how to make a product better by evaluating existing products– (Session 5)

Mon – PE, learning review (Taught by TJ)
Tues – PSHE – Jigsaw
Weds – Trip to Blenheim Palace
Thurs– Science - To know how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching. (Session 2)
Fri - Science - To know how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching. (Session 3)

Mon – PE, learning review (Taught by TJ)
Tues – Computing – To know how to predict the behaviour of simple programs. To know how to problem solve (Session 1)
Tues – PSHE - Jigsaw
Weds - Handwriting practise, PE
Thurs – To know how to form clear and precise algorithms and instructions. (Session 2)
Fri – DT – To know which materials and components to select according to the design criteria (Construction) – (Session 2)

Mon – PE, learning review (Taught by TJ)
Tues – Computing - To know how to use technology safely and respectfully.
Tues – PSHE – Jigsaw
Weds - Handwriting practise, PE
Thurs – Science – To know the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses.
Fri – DT – To know which materials and components to select according to the design criteria (Food) – (Session 4)

Mon – PE, learning review (Taught by TJ)
Tues – To know the physical and human differences between the villages of Oymyakon, Russia, to the village of Potterspurpy. (Session 1)
Tues – PSHE – Jigsaw
Weds – Handwriting practise, PE
Thurs– To know the physical and human differences between the villages of Oymyakon, Russia, to the village of Potterspurpy. (Session 2)
Fri - Geography – To draw and devise a simple map of imaginary places and from stories, using a key.
