FRIDAY 19TH JUNE 2026

Curie Class Visit Abington Park Museum

Curie Class had a fantastic visit to Abington Park Museum as part of their Egyptian-themed learning. The children thoroughly enjoyed exploring the exhibits and discovering more about life in Ancient Egypt. It was wonderful to see their enthusiasm and curiosity as they brought their classroom learning to life.

Celebration Assembly

Well done to our children who were on the hard workers bench this week!

Edison Class Explore Blenheim Palace

Edison Class had an amazing day at Blenheim Palace. The children loved exploring the beautiful palace and grounds while learning about its rich history. The visit provided a memorable experience and supported their learning in a fun and engaging way.

Summer Reading Challenge

As we approach the summer holidays, we would like to encourage all families to make reading a regular part of their summer routine. Did you know that one of the most effective ways to prevent children from losing some of their learning over the summer break is through regular reading? Reading for pleasure helps maintain literacy skills, develops vocabulary and sparks imagination.

We encourage families to consider signing up for the Summer Reading Challenge at one of our local libraries. It is a fantastic way to motivate children to keep reading throughout the holidays while having fun and discovering new books. If you can't easily get to the library we will also make sure that the book swap by the school front gates is topped up, so please do walk up with your children and choose a book regularly.

Good Luck to Our Cross Country Team!

Next week, we will be taking a team of 60 children to compete in the annual Woodford Halse Cross Country Competition. We are incredibly proud of all the children who have been selected to represent the school and wish them the very best of luck. We know they will demonstrate great determination, teamwork and sportspersonship.
