NEWSLETTER

FRIDAY 26TH JUNE 2026

Keeping Cool in the Heat

Despite the recent hot weather, learning continued almost as normal across the school thanks to our air-conditioned spaces, which helped everyone stay comfortable and focused. On Thursday, the children enjoyed a special visit from the ice cream van, providing a welcome opportunity to cool down with a refreshing treat. It was wonderful to see so many smiling faces as pupils enjoyed their ice creams with friends.

Celebration Assembly

Well done to our children who were on the hard workers bench this week!

Woodford Halse Cross Country

Unfortunately, the annual Woodford Halse Cross Country event was postponed this week due to the extreme weather conditions. The event has now been rescheduled and will take place on 7th July.

If your child has been selected for the team, please let us know whether they are able to attend by completing the Google Form as soon as possible. We are keeping our fingers crossed for slightly cooler weather so that the event can go ahead safely and all participants can enjoy the day.

Breakfast Club Reminder

Our Breakfast Club continues to provide a positive and welcoming start to the school day, giving children the opportunity to enjoy a healthy breakfast and spend time with friends before lessons begin. We would like to remind families that places can be booked in advance through ParentPay. However, if you need childcare at short notice, children are also welcome to simply turn up on the morning. Please note that a slightly higher charge applies for on-the-day attendance to cover administration costs, and this amount will be added to your ParentPay account for settlement.

After-School Clubs for Next Term

Bookings for next term's after-school clubs will be released on Monday at 8:30am. We are looking forward to offering another exciting range of activities for children to enjoy and develop new skills. A reminder for families whose children attend Rhino After-School Club (Kids Club): children attending Rhino Club will automatically be able to take part in Rhino-run clubs without needing a separate booking. However, places for any clubs run by other external providers or school staff will still need to be booked and paid for in the usual way. We encourage families to book early, as places in some clubs may be limited.
