

Maths

Objectives to be covered this term

- ◆ Counting objects to 20
- ◆ Ordering numbers
- ◆ Counting 1 more or less than any number
- ◆ Counting 1:1
- ◆ Number bonds—finding 2 numbers that make 10 when added together or 20 numbers that equal 20 when added together
- ◆ Addition
- ◆ Subtraction
- ◆ Finding fact families—A fact family is a group of maths facts using the same numbers. For example, $10+2=12$, $2+10=12$.
- ◆ Partitioning—splitting numbers up into tens and ones eg 12 is one ten and two ones
- ◆ Recognising 2D and 3D shape and knowing their names and basic properties

Ways to help at home

- ◆ Help your child to write numbers to 20 the correct way around.
- ◆ Practise recognising numbers to 100 knowing what each digit in the number is worth.
- ◆ Practice addition and subtraction using numbers between 1 and 20.
- ◆ Notice numbers in the environment encourage your child to read them.
- ◆ Look at 2D and 3D shapes in the shops in real life.

Key Vocabulary

Our topic for the Autumn term is 'Tales from around the World'. We will be looking at some countries where our tales, and stories come from.

We will be finding out about these countries and gathering and developing geographical skills. We will also be using them in class. You can help at home by helping your child to read and recognise them.

Africa	China	dry	hot	town
human	Country	Capital	forests	Mountains
marsh	lake	river	Mexico	City
natural	desert	people	village	India

Autumn Update Newton Class

Spellings

We will send home emails with each weeks spelling pattern as we get there. We will begin by recapping the alphabet and then move onto sh, ch, ng, th. After this we will recap all phase 3 sounds before moving on to learn phase 5. Please help your child by going over the sounds on the book marks sent home in your child's book bag.

Home learning

Homework will be given out on a Monday and due in on the following Monday. This work is in addition to the reading and spelling homework. The work will reflect the work completed in class and may be maths or literacy related. In addition to this please read with your child at home as much as you can. Please make sure you read each book at least twice.

English

Objectives to be covered this term

Writing

- Use phonic knowledge to write words in ways which match their spoken sounds
- Write some irregular common words
- Write simple sentences which can be read by themselves and others
- Spell some words correctly and have a good go at sounding our more tricky words.

Reading

- Read and understand simple sentences
- Use phonic knowledge to sound out words and read them accurately
- Read some common irregular words
- Demonstrate understanding when talking with others about what they have read.

Speaking

- Express themselves effectively, showing awareness of listeners' needs
- Use past, present and future forms accurately when talking about events that have happened or are to happen in the future
- Develop own stories and explanations by connecting ideas or events

Ways to help at home

- Read with your child for at least 10 minutes every day and after reading ask them comprehension questions about what they have read.
- Practice letter formation
- Retell stories
- Encourage independent writing/ reading at home.
- Writing sentences using correct punctuation and practising using colons and semi-colons correctly.
