

Maths

Objectives to be covered this term

- To confidently use written methods for addition, subtraction, multiplication and short division
- To add and subtract fractions with the same denominator
- To be confident in adding and subtracting numbers mentally
- To understand how to check answers using inverse operations
- To be able to recall the 3, 4 and 8 times tables
- To be able to count on in 1's, 10's and 100's
- To be able to partition numbers with 3 digits or more
- To be able to read and write numbers with 3 digits and understand the value of each digit in it.
- To be able to compare and order fractions with the same denominator
- To be able to count in tenths and understand that tenths arise from dividing a whole into 10 equal parts
- To be able to recall number facts mentally to support with mental calculations

Ways to help at home

- ◆
- ◆ Use TT Rockstars at least 4 times a week for 10 minutes
- ◆ Practice telling the time
- ◆ Practice addition, subtraction, multiplication and division calculations with large numbers.
- ◆ Recall the 2, 5 and 10 times table
- ◆ Read and write large numbers together and practice knowing what each digit in the number is

Key Vocabulary

Our topic for the Autumn term is 'Tales from around the World'. We will be completing a virtual tour of the world looking at tales, stories, myths and legends. We will be completing lots of Geography information gathering and developing skills and learning these words would be beneficial. We will also be using them in class. You can help at home by helping your child to read, say and spell these words, as well as know their meaning. Writing out definitions would be very useful.

North	South	East	West	Physical
Human	Country	Capital	Features	Mountains
Latitude	Longitude	Equator	Hemisphere	Arctic
Antarctic	Climate	Population	Compass	Continent

Autumn Update Einstein Class

Spellings

We will send out a separate document with detailed information about spelling in Year 3. Please help us by making sure your child can read and spell these key words from the Year 2 curriculum.

beautiful	money	clothes	hour	many
people	busy	whole	again	any
water	parents	improve	break	great

Home learning

Weekly homework will be provided for all KS2 pupils on Century. Children should complete the English and Maths nuggets that will be set for them by their teacher each week. These will either be a revision of work covered in class or some prelearning for the following week. In addition to this, the teacher will add an assignment to be completed and submitted on Century. Homework will be set on a **Monday** and should be completed by the following **Monday**. Please support us to ensure your child makes great progress by encouraging them to complete this work in a timely fashion.

English

Objectives to be covered this term

- To be able to indicate possession by using the possessive apostrophe
- To be able to use and correctly punctuate fronted adverbials
- To be able to use and correctly punctuate direct speech
- To be able to use a wide range of conjunctions within their writing, including: when, because, if, although
- To be able to write using legible joined handwriting
- To be able to read aloud with confidence and expression
- To be able to read and respond to a range of questions on a text
- To be able to structure a story including a beginning, middle and an end
- To be able to write at length independently
- To be able to write an exciting description of a setting and character

Ways to help at home

- Read with your child for at least 10 minutes every day and after reading ask them comprehension questions about what they have read.
- Practice writing sentences with correct speech punctuation
- Practice joined handwriting
- Encourage independent writing at home by setting them a story challenge or researching something and writing a piece of non-fiction about it.
- When writing ensure capital letters and full stops are consistently used
