

Maths

Objectives to be covered this term

- ◆ To be able to count objects to 20.
- ◆ To be able to compare and order numbers up to 20.
- ◆ To count one more or less from any given number.
- ◆ To understand the place value of one and two digit numbers.
- ◆ To be able to add and subtract numbers, using objects and drawings.
- ◆ To be able to partition numbers using objects.
- ◆ To be able to recognise and name a variety of 2D and 3D shapes.

Ways to help at home

- ◆ Help your child to write numbers to 20 the correct way around.
- ◆ Practise recognising numbers to 100 knowing what each digit in the number is worth.
- ◆ Practice addition to 20 and subtraction.
- ◆ Notice numbers in the environment, encouraging your child to read them, eg door numbers or road signs.
- ◆ Sing counting songs.

Key Vocabulary

Our topic for the Autumn term is 'It's a Celebration'. We will launch the topic by making our own lemonade, (in relation to our first text 'When Grandma Gives You a Lemon Tree'). We will be learning about animals and will be writing fact files about elephants and identify and name common animals that are carnivores, herbivores and omnivores. We will be learning key words related to this, so you can help at home by helping your child to read and recognise them.

continent	summer	ocean	omnivore	seasons
human	country	capital	hot	weather
Spring	Autumn	carnivore	cold	city
natural	Winter	herbivore	village	India

Autumn Update Newton Class

Spellings

We will send home emails with each weeks spelling pattern as we get there. We will begin by recapping the alphabet and then move onto sh, ch, ng, th. After this we will recap all phase 3/4 sounds before moving on to learn phase 5. Please help your child by going over the sounds on the book marks sent home in your child's book bag. Supporting your child at home will help them learn to read fluently more quickly.

Homework

Homework will be provided for all KS1 children on a half termly basis and this will be sent home on a **Monday**. Your child will have two weeks to complete the homework. This homework will be revision of work covered in class. In addition to this, please read with your child as often as you can and record this in their 'We Love To Read' book. Thank you.

PE

PE will be taught every week. Please ensure your child's kit is at school every day. Your child will return the kit at the end of every half term for washing.

English

Objectives to be covered this term

Writing

- Use phonic knowledge to write words in ways which match their spoken sounds
- Write some irregular common words
- Write simple sentences which can be read by themselves and others
- Spell some words correctly and others phonetically plausibly.

Reading

- Read and understand simple sentences
- Use phonic knowledge to sound out words and read them accurately
- Read some common irregular words
- Demonstrate understanding when talking with others about what they have read.

Speaking

- Express themselves effectively, showing awareness of listeners' needs
- Use past, present and future forms accurately when talking about events that have happened or are to happen in the future
- Develop own stories and explanations by connecting ideas or events.

Ways to help at home

- Read with your child for at least 10 minutes every day and after reading, ask them comprehension questions about what they have read.
- Practice letter formation so all letters are written correctly.
- Retell stories
- Encourage independent writing/ reading at home.
- Writing sentences using correct punctuation, including full stops and capital letters.
- Write letters or postcards to friends and family.
